

# Riding the 2007 USEF Tests: an entire weekend with Sandi Chohany!

...a special event for NWV chapter members

**Sandi Chohany** is a USEF 'S' dressage judge, teacher, clinician and competitor. She lives near Chicago, and (understandably) winters in Santa Barbara. Sandi didn't start riding until she was 25, but has more than made up for lost time. She started in Open Jumpers, and foxhunted with the Wayne-Dupage (Illinois) Hunt, where she was Whipper-In and 2nd Huntsman for 17 years. In 1979, she moved on to Three-Day Eventing and discovered dressage. She then spent six months studying in Denmark with Rudiger Blume, and a year in Germany with Gerhard Politz.

Sandi's lengthy list of accomplishments includes:

- USDF Bronze, Silver and Gold medals
- Gold medal, Olympic Festival in Houston, Texas
- 1st place, USDF Horse of the Year (7 times on 4 different horses)
- Arabian U.S. National Champion (10 times at various levels on multiple horses)
- 9 horses of various breeds and 5 students trained to Grand Prix
- 2 students named USDF Junior Dressage Champions

In addition to being a respected judge, insightful teacher and accomplished horsewoman, Sandi is a delightful raconteur. You're sure to learn a lot this weekend, and you're guaranteed to have a great time!
